

To all the patrons of The Pub & Restaurant
We have devised a set of regulations in order to
keep you & all our employees safe

Make sure to wear a facemask as you enter our building, when you need to use the restroom, & when you exit the building.

We will have hand sanitizing stations throughout our establishment. Please make sure to use a proper amount of sanitizer before you enter & exit the building.

Please follow the arrows that we have placed on the floor to direct traffic and help us keep social distancing.

Be advised that we are using a disinfectant spray called "PURE." It eliminates Human Coronavirus in 30 seconds. If you have any questions in regards to our sanitizing routine, please ask to speak with the manager on duty.

For those patrons that have dined at The Pub & Restaurant in the past, please understand that we are working with a limited menu during this time.

 **Thank you & Stay SAFE!**
